

REMARKS/ARGUMENTS

Applicants note with appreciation the Examiner's allowance of the present application.

Claim 14 is amended to provide a period (".") at the end thereof as no period (".") was included with original Claim 14. Claim 15 is amended to add the word "banks" at line 7 thereof to correct the inadvertent omission of this word from original Claim 14. Claim 16 is amended to remove the clearly erroneous "0" from line 1 thereof. Claim 18 is amended to remove the clearly erroneously repeated and unnecessary words "and the plurality of analytic filter bank means" from lines 5-6 thereof. Claim 43 is amended to remove the period (".") from the body of the claim.

Applicant respectfully submits that no new matter has been added by the foregoing amendments and that the presently proposed corrections of typographical errors are clearly directed to formal matters requiring no further search or other considerations on the merits.

Accordingly, Applicants respectfully request that this amendment under 37 CFR §1.312 should be entered as being directed only to matters of form.

Respectfully submitted,
